Let us make it easier to help you grow!

Certificates

Dedicated Staff who know YOU and understand your certificate Demands. No faceless 800 number. Our dedicated Customer Service Reps are here to keep you moving and give you an easy road to accountability. We care about your success.

Claims

With former claims staff from some of the majors, working in-house to help handle the process and keep you up to date, we ensure your claim is handled quickly and efficiently, freeing your time as much as possible.

Independent Agent Advantage

All insurance coverage and protections are offered through our approved and appointed “A” Rated or better carriers. As a “free agent”, we have the ability to shop the market and find the best protection and rate for your needs. We will have options should you want more due diligence, peace of mind, or just want to go to market.

Attract, Incentivize & Retain

Cross-Trained and with an industry endorsed expertise - Tailoring a Benefits Program that includes Private Bonus, Key Man, Deferred Compensation, Estate and Succession Planning can help you with attracting and retaining the right employees for your future.
